I have read and understand the policy regarding the Volunteer Credit System. I accept full responsibility for obtaining enough credits on behalf of my dependent swimmer(s). The credit fulfillment must be accomplished in order for my swimmer(s) to participate in the SEOWV championship meet in Athens in March of 2010. Credits will be tracked and totaled prior to each home meet. Failure to obtain full credits will result in a \$25 fine for each credit shortage: fine payable prior to SEOWV championships.
